

Invitation for Proposals for SRH

UNFPA, United Nations Population Fund, an international development agency, invites qualified organizations to submit proposals for the implementation of activities under the Reproductive Health (RH) Programme, across Pakistan. The purpose of the Invitation for Proposals is to identify eligible non-governmental organizations for prospective partnership with UNFPA Pakistan to support achievement of results outlined in the UNFPA Pakistan Country Programme **or section 1.3 below.**

Organizations that wish to participate in this Invitation for Proposals are requested to send their submission through email or mail clearly marked “NGO Invitation for Proposals” at the following address:

UNFPA Pakistan 2nd Floor, Serena Business Complex
Khyaban-e-Suharwardy, G-5 Islamabad, Pakistan

By 10 November 2019

Proposals received after the date and time may not be accepted for consideration.

Applications must be submitted in English.

Any requests for additional information must be addressed in writing by 31 October 2019 at the latest to alazar@unfpa.org. UNFPA will post responses to queries or clarification requests by any NGO applicants who submitted, on proposals@unfpa.org.pk before the deadline for submission of applications.

UNFPA shall notify applying organizations whether it is considered for further action.

Section 1: Background

1.1 UNFPA mandate UNFPA is the lead UN agency for delivering a world where every pregnancy is wanted, every birth is safe, and every young person's potential is fulfilled.

1.2 UNFPA Programme of Assistance in Pakistan UNFPA Pakistan, has adopted a comprehensive integrated approach to support the Government of Pakistan in fulfilling its national/international obligations and commitments towards working for the betterment and wellbeing of women and youth of Pakistan. Under the current cycle of programme assistance for the period of 2018-2022, which is approved by the Economic Affairs Division, UNFPA is mandated to work on reproductive health (RH), including family planning (FP) and maternal health, gender equality, women’s and youth empowerment, and data for development.

The country program of assistance is aligned with the 2030 Agenda for Sustainable Development, and national development priorities, including policy measures to reduce poverty as reflected in the Ehsaas Programme and to address population dynamics and family planning as stipulated in the recommendations of the Council of Common Interest, as well as Prime Minister’s Youth Programme.

The country programme is implementing initiatives to focus on scaling up quality skilled birth attendance through evidence generation, advocacy, capacity development and support to the government for the development of strategies and implementation on following key focus areas.

- Quality Midwifery,

- Fistula prevention, repair & rehabilitation
- Emergency Obstetric Neonatal Care (EmONC)
- Evidence-based national and provincial policies providing the enabling environment for inclusive, gender-responsive reproductive health and family planning.
- Enhancing national and sub-national capacity to provide integrated reproductive health services, particularly for marginalized women.
- Strengthen technical capacity of health work force (LHVs, LHWs, CMWs, doctors) to provide quality gender responsive RH and FP services to women of reproductive age, youth and adolescents.
- Improved knowledge and attitudes among male and female community members about RH/FP

Further information on the programme can be found on <https://pakistan.unfpa.org/en>

1.3 Specific results

Within this framework and as set out in country programme working with government and other partners, UNFPA will contribute to achieve the following results under key priority programme areas for 2020:

Strategic priority area 1: Strengthening national and sub-national capacity to provide integrated reproductive health services, including high-quality midwifery education

- Conduct mapping of availability of RH and FP services by type of service delivery point and level of care and facility needs assessment to inform targeted and impact oriented interventions;
- Develop quality of care framework on RH/FP to provide emergency obstetric and neonatal care, ante-/post-natal care and FP counselling and services;
- Review existing training materials and clinical guidelines to identify gaps and areas for further improvement and develop training materials, clinical guidelines and standard operating procedures;
- Conduct training of health care providers to provide client-centered RH and FP services using interactive teaching methodologies;
- Introduce quality assurance measures, gender-responsive service delivery and proactive monitoring to ensure high-quality RH and FP services in the communities by trained personnel;
- Support initiation Bachelor of Science in Midwifery programme and establishment of midwifery-led care units;

Strategic priority area 2: Strengthening national and sub-national institutions to develop and implement policies and programmes that address disparities in reproductive health.

- Conduct advocacy events based on national, regional and international evidence for strengthening the midwifery practice and profession;
- Establish coordination and partnership mechanisms with broadcast and print media to ensure the coverage of RH issues;
- Conduct national media and advocacy campaign with a special focus on midwifery regulation, the education standards, and the scope of practice for the profession including communication package with fact sheets on the status of midwifery and maternal health, feature stories and good practices;
- Develop comprehensive social and behavior change communication

	<p>strategy, using the human centered design approach.</p> <ul style="list-style-type: none"> • Support feasibility and operations research studies to inform replication of successful approaches on RH including FP and maternal health; • Develop and roll out gender-sensitive, technology-based communication program, including mHealth and telemedicine focusing on SRH/FP counselling, services and referrals for underserved and populations residing in sparsely populated areas • Population programs linked with social safety net programs like Benazir Income Support Program (BISP) and introduce voucher programmes or incentivized schemes for adoption of RH and FP services <p>Strategic priority area 3: Promoting community-, women- and youth-centred initiatives to build resilience and empower communities to address social barriers to reproductive health.</p> <ul style="list-style-type: none"> • Develop a resilience strategy with special focus on the rights to SRH, gender equality issues and GBV and support the roll out as well as documenting the best practices; • Provide capacity building and technical support to generate context specific knowledge and develop Peer Education Toolkit on Health/RH for reaching out of school youth; • Establish adolescent friendly spaces within the existing infrastructures to provide the opportunity to young people to learn life skill and engage in civic engagement. • Develop and launch integrated community RH awareness raising and outreach campaigns; Engage RH/FP champions in community mobilization, information, education and communication campaigns focusing on women, girls, men and boys.
