A. INTRODUCTION

1. General

1.1. UNFPA’s Procurement Services Branch wishes to enter into non-exclusive Long Term Agreements (LTAs) with qualified suppliers for services (outlined in ToRs Page no: 22) in support of UNFPA’s [Programmes] located in [Pakistan].

1.2. As a result of this competitive Bid process, UNFPA plans to sign non-exclusive Long-Term Agreements (LTAs) with a single supplier for maximum 2 years. In addition to the initial term, the LTA(s) will have the option of a one-year extension, subject to satisfactory performance and price competitiveness.

1.3. In the event of UNFPA signing an LTA the following shall apply:

1.3.1. The successful Bidder(s) shall accord the same terms and conditions to any other organization with the United Nations Systems, located in [Pakistan], that wishes to avail itself of such terms, after written consent from UNFPA’s Procurement Services Branch. The LTA template specified in SECTION VII – ANNEX A: LONG TERM AGREEMENT TEMPLATE, shall be used.

1.3.2. UNFPA will not be committed to purchase any minimum quantity of the goods/services, and purchases will be made only if and when there is an actual requirement. UNFPA shall not be liable for any costs in the event that no purchase is made under any resulting LTA. All reductions in market prices provided by the supplier will be passed on in full to UNFPA.

1.3.3. The successful Bidder(s) shall have the right to review their prices every 12 months from commencement of the LTA, and shall notify UNFPA in writing 90 days prior to the 12-month period of a proposed price decrease or increase. The successful Bidder(s) shall provide proper justification for any price increase. UNFPA shall be entitled to either accept the price decrease/increase or to cancel the LTA, and shall notify the successful Bidder(s) in writing of its decision.

1.4. Upon the establishment of the LTA(s) with successful Bidder(s). Secondary Bidding procedures are described in Section 36.

2. Eligible Bidders

4.1. UNFPA’s Policy regarding fraud and corruption is available by clicking on Fraud Policy and applies fully to this Bid. Submission of any Bid implies that the Bidder is aware of this Policy.

4.2. UNFPA is committed to preventing, identifying, and addressing all acts of fraud against UNFPA, as well as against third parties involved in UNFPA activities. To this effect, UNFPA has developed an Anti-Fraud Policy with the aim to raise awareness of fraud risks, implement controls to prevent fraud, and establish a procedure to detect fraud and to enforce the Policy.

4.3. UNFPA requires that Bidders, suppliers, and contractors and their subcontractors observe the highest standards of ethics during the procurement and execution of UNFPA contracts.

4.4. Pursuant to this Policy, UNFPA defines the terms set forth as follows:

4.4.1. “Corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;

4.4.3. “Collusive practice” means an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party;

4.7. Any supplier participating in UNFPA’s procurement activities must provide all required documents, records, and other elements to UNFPA personnel upon first request to facilitate any investigation of allegations of misconduct by either suppliers or any other party to the procurement activities. The absence of such cooperation may be sufficient grounds for the debarment of the supplier from the UNFPA supplier roster and may lead to suspension following review by UNFPA.

4.8. Suppliers, their subsidiaries, agents, intermediaries and principals must cooperate with the UNFPA Office of Audit and Investigations Services as well as with any other oversight entity authorized by the Executive Director and with the UNFPA Ethics Advisor as and when required. UNFPA/PSB/Bids/Request for Proposal/RFP/ RFP for LTA [1016 – Rev03]
11.2. All prices shall be in Pak Rupees (PKR) only. Should the submitted Bid result in a LTA, UNFPA will enter the services into an e-procurement system maintained by PSB that can only accommodate USD. Bidder(s) shall indicate in their offers the currency they would have used for a Bid in the absence of currency constraint. In order to mitigate financial risks, if the value of the USD changes by more than 10% against the indicated currency during the validity of the LTA, the successful Bidder may be asked to adjust the LTA USD prices using the UN exchange rate on the day of Bid submission deadline. The monthly UN Operational Rate of Exchange (UNORE) will be used to determine the percentage of change in USD value against the indicated currency.

13. Most favored pricing
13.1. By submitting a Bid, the Bidder certifies that the same goods/services have not been offered to other customers under similar circumstances at a lower cost. Should a Bidder be found to have done so, it must offer the lower cost to UNFPA.

14. Validity of Bids
14.1. Bids must remain valid for -120 calendar days after the Bid submission deadline. UNFPA will consider Bids with shorter validity as not substantially responsive and reject them. Under special circumstances, UNFPA may request Bidders to extend the validity of their Bids. Requests for validity extension will be made in writing.

15. Bidders’ conference
15.1. A Bidders’ conference may be conducted at UNFPA’s discretion. All Bidders will be encouraged to attend. Non-attendance, however, will not result in disqualification of an interested Bidder. Minutes of the Bidders’ conference will be either posted on UNGM or e-mailed to the Bidders that have confirmed participation or expressed interest in the Bid. Verbal statements made during the Bidders’ conference will not modify the terms and conditions of the RFP, unless such statements are specifically written in the minutes of the Bidder conference or issued as an amendment to the Bid documents and posted on UNGM.

SECTION II: TERMS OF REFERENCE (TOR)

TERMS OF REFERENCE FOR DEVELOPMENT AND ROLL OUT OF GENDER MANAGEMENT INFORMATION SYSTEM (GMIS).

Background information
Government of Pakistan recognizes gender equality and women’s empowerment as an effective pathway to stimulate sustainable development, thus ratified a number of international treaties, agreement and convention including Sustainable Development Goals (SDGs). The establishment of the Commissions on the Status of Women (CSW) at national and sub-national levels is one of the key developments made in this connection. However, the Commissions need substantial support for building internal systems for delivering on their mandate effectively. UNFPA is supporting the Commissions in this regard.

The Khyber Pakhtunkhwa Commission on the Status of Women (KPCSW) has recently been made autonomous and has among others, been assigned with responsibility of monitoring the implementation of the Khyber Pakhtunkhwa Women Empowerment Policy framework. This includes advocacy for policy and legislative reforms, collection and use of robust and reliable data; and establishing systems for monitoring and addressing violations of women and girls’ rights, including at district level. KP Commission on the Status of Women has established District Commissions of the Status of Women (DCSWs) commonly called District Committees. These District Committees are responsible for implementation of the policies/programs/projects and plans of the Commission at district level and KPCSW aims to equip DCSWs with the information, resources and skills to enable them to contribute to monitoring and reporting against national and international commitments.

To enable KP CSW to collect data on key indicators on the status of women and girls in the Province, a Gender Management Information System (GMIS) is being established. This GMIS will cover information on demographics, education, sexual and reproductive health including maternal health & family planning, employment, economic empowerment, Gender Based Violence (GBV) and other key variables. Based on lessons learned from the Punjab Commission on the Status of Women, the KP GMIS will be developed in phases as follows:

| KEY PERFORMANCE INDICATORS | Successful Bidder’s performance will be monitored and evaluated by UNFPA on a [half-yearly] basis to enable the assessment on the effectiveness, efficiency and/or consistency of goods/services provided. The results of the evaluation will be communicated to the supplier to enable improvements. An extension of the contract will take into consideration results of performance evaluation(s). The evaluation will be based on, but not limited to, the following key performance indicators: **Services:**  
  - Expected output achieved  
  - Satisfactory level of quality and technical competence  
  - Effective and timely communication and professionalism  

Key performance indicators may be modified and/or added during the validity of this contract. |

UNFPA’s policy is not to grant advance payments except in unusual situations where the potential supplier, whether a private firm, non-governmental organization or a government or other entity, specifies in the Bid that there are special circumstances warranting an advance payment. UNFPA will normally require a bank guarantee or other suitable security arrangement in such cases.
